April **2006**

School Board Recognition Week Observed at Southland

Members of the Southland School Board are (Back Row) Mike Smith, Keith Classon, Bruce Nelsen (Front Row) Kim Bruggeman, Pat Graves and Carol Matheis

The Minnesota School Boards Association designated February 27–March 3 as School Board Recognition Week in Minnesota - a time to build awareness and understanding of the vital function an elected board of education plays in our society.

The Southland School District joined with other districts throughout the state to recognize the important contributions board members make to communities.

Minnesotans benefit every day from the dedicated energies and countless hours devoted by these public servants. School board members unselfishly contribute their time and talents toward the advancement of public education. They represent a continuing commitment to local citizen control and decision making in public education.

Southland Prom to be held on April 29th

Southland's 2006 Prom will be held April 29th.

Prom servers this year are Chelsea Miller, Ashlee Waller, Jake Chapek, and Adam Voigt.

This year's theme is a Paris one, "Here's To The Night". The colors are black, silver, and gold.

Grand March

The grand march will be held at 5:30 PM in the auditorium. The doors will open at 4:30 PM. There will be no ticket sales this year - just a $2.00 charge per person at the door.

Prom

Prom will be at the Legion following the grand march. Supper will be provided for each member of the senior class, cost for all others will be $12 per person.

Post Prom

Seniors/Juniors and your dates plan to attend this year's prom and then head over to the post prom event at the high school.

It will be a fun filled night of games, prizes, caricatures, a hypnotist or just come and watch a movie and relax.

If you are a Texas Hold 'Em fan this is your night! Sign ups will be coming out soon and required prior to Post Prom. Hope to see you at the Post Prom Party 2006!!

FACS Students Prepare Theme Meals for Teachers

7th grade FACS students enjoy a meal with language arts teacher, Mrs. Sorgatz

On Friday, March 10th, Southland 7th graders had a dinner party in their FACS class. We each invited a teacher and made a dinner for them. There were different themes this quarter. The themes were Spiderman, Spring, Math and the Irish. The Irish theme had a centerpiece which was based on St. Patrick's Day, which is March 17th.

Students liked the meals and learned a lot of things like how to cook a full meal and correctly set a table. Most of us prepared a breakfast. One group made a cheeseburger lunch. One person said, "I learned how to slice strawberries." We learned to try different brands of juice. We noticed we were in a hurry to get stuff done, but we succeeded.

We learned how to set tables properly. One group said, "I think we should have cooked the pancakes the day before because there wasn't enough time." We learned how to make a meal and to show our appreciation to our teachers. At the end we had to wash and put away the dishes. This day was pretty fun for all of us. We all enjoyed it.

What is ECFE?

Early Childhood Family Education (ECFE) is for all Southland #500 parents of children between birth and kindergarten. Whether you are a single parent, a teen parent, or a stay-at-home mom or dad, or an employed parent, ECFE is for you.

We offer weekly parent/child classes, special events, and other services. ECFE is "Time together" . . . You spend quality time with your child, learning more about their interests and abilities. ECFE is "Time Apart" . . . While children are with a children's teacher, you and other parents meet with a parent educator to discuss timely concerns. The support, encouragement, and new ideas you receive from the group make being a parent more rewarding.

ECFE Parent/Child Classes

Classes for mixed ages (2-5 yrs) run one and one half hours. The first 45 minutes parents and children play together and have a group circle activity. Toys and a variety of activities are set out, from which the family can select learning experiences. The last 45 minutes, parents and children divide. The children will spend time with their peers and Early Childhood teacher in activities that encourage sociability, sharing and developing independence. The parents will meet together for informal discussion and presentations on relevant topics to their needs.

The Snow Ball Father Daughter Dance
By Addison Tapp

On March 4th the Southland Elementary Student Council held their first father-daughter dance. We wanted to have a father-daughter activity after last year's mother-son Bananorama. This took about 4 months of planning and 8 hours of setting up and taking down all the items that Mrs. Lewis and Mr. Pittelko purchased to help make this dance a hit.

We also have a special thanks to tell to the Peterson Family for creating the gingerbread house, Mrs. Tapp, Krista Wells, Mr. Juhl, Mr. Dibble and Mr. Lind, Mr. Hull, the DJs Jena Woltermen, Samantha Enright, and Brian Coffman, Mrs. Small, Renea Bendtsen, Mrs. Leisen, and all the fathers that stayed after the dance to help take down the decorations.

During the dance the fathers and daughters danced to the YMCA, Chicken Dance, Macarena, and Hokey Pokey. We also had slow dance songs for the fathers and daughters to dance to. We ate pickles, punch, cake, sandwiches, chips and pretzels. The fathers and daughters took a poll as to how they liked the evening. The results were: 14 girls voted that we should have it every year. And the fathers voted every year, 2 and 4 years.

Fathers and daughters dance at the first Southland Father-Daughter Dance

The 5th grade girls got roses and had a time to dance with their fathers with only 5th grade girls and their fathers on the dance floor because it was their last father-daughter dance at Southland Elementary School (hopefully).

We thank these generous places for supporting and giving us prizes: Denny Mullenbach's Car Wash for giving us the carwash coupon, Corky's, McDonalds, Godfathers, Brenda's Market, Wendell Sprung, Bubbles Café, Huseby Insurance, Creek Club, Southland Elementary P.T.O., and Wagner's Grocery.

Some of the prize winners were: Rachel Meany, and Laura Keifer.

The father daughter dance was a hit. About 150 people came to have fun and spend time with their father/daughter. Everyone enjoyed it and hoped that they could have it again in the future.

Southland Agriculture Department Receives Grant

The Southland Agriculture department applied and received $5000 in Carl Perkins grant money this past January.

The money received was used to update equipment and technology such as a new LCD projector that can be used for presentations and instruction.

The money was also used to purchase a laser level transit system, replacement small engines, and a parts washer.

By receiving grants like this one the Agriculture department can improve course offerings and expand opportunities to students.

Creative Foods Students Listen to Representative from LeCordon Bleu-Brown College

Kurtis Retterath is shown dressed in a traditional chef uniform. The Creative food classes, under the direction of Mrs. Jan Miller, listened to a speaker from LeCordon Bleu-Brown College. A career in culinary arts was discussed along with food decorating using marzipan. Students were able to make their own marzipan food decorations.

Southland Middle School Presents the Musical "Li'l Abner"

The Southland Middle School Music and Drama Department presented "Li'l Abner" on Friday, March 17th. Directors for the musical were Becky Bissen, director, Jane Orvik, music director, Dave McCormick and Dave Wahl, scene and prop directors.

The cast of characters included Chris Vogel, Chelsea Holst, Ethan Sorenson, Lizabeth Meany, Izak Nipp, Bobby Fenske, Jacob Hanson, Ashley Ehret, Jeff Schlichter, Micheal Sorenson, Camden Hurd, Adam Hendrikson, Mickael Bourdeau, Chris McNichols, Nic Poshusta, Thomas VanBuskirk, Emily Howton, Clint Bergene, Justin McNichols, Bryce Zahradnik, Calli Smith, Emily Richardson, John Mueller, Logan Vlasaty, Tyler Bergene, CJ Kirchhoff, Krista Oudekirk, Brittany Reiten, Amanda Gobin, Carly Gilles, Jill Eischens, Renae Mullenbach and Nikki Stoltenberg.

Stage crew: Joe Lewison and Cody Peterson, Make-up: Kelsy Dieon and Jessica Freund; props: Whitney Bamrick, Becky Meany and Sarah Nelson.

2nd Grade Students Learn About Healthy Foods

During the week of March 6th, second grade students in Mrs. Small's class learned about good nutrition. Mrs. Small and Mrs. Renwick, the Southland nurse, partnered to teach students about the five basic food groups, what each food group contributed to healthy bodies, and examples of foods found in each group.

2nd grade students sample nutricious snacks in Mrs. Small's classrooom

Students had fun with several games, discussion questions, and board activities. They listed three of their own favorite foods from each food group. Laminated posters of the Food Pyramid were sent with each student to post on the refrigerator at home to remind them about their own food choices.

Later in the week students enjoyed a food tasting experience with several examples of healthy snacks from each food group. Foods requiring little or no adult preparation, such as pudding, raisins, nuts, celery, carrots, grapes, peanut butter, cheese, and flavored milk were offered as healthy alternatives to candy, sweets, pop, and chips. The students learned that snacks can be both healthy and taste good, and by the end of the class, all of the food had disappeared!

Mrs. Leisen's second grade students will be participating in a similar class later in March.

Ice Skating Anyone?

The third graders enjoyed an afternoon of ice skating recently at the Packer arena in Austin. This was a wonderful addition to their regular physical education class since of the 38 students, only 19 of them had ever skated before. The third graders' teachers, Mrs. Klingerman and Ms. Stratton, enjoyed time on the ice as well. Many of the students commented they would like to go ice skating again. Thank you Mrs. Decker for including ice skating in your curriculum!

FFA Ski Trip to Afton Alps Ski Resort

Southland students had the opportunity to ski and snowboard at Afton Alps on February 24th. The trip was sponsored by the FFA.

When some staff members at Southland say that their co-workers are like family, they really mean it!

Paula Schmitz teaches first grade at the elementary school. Her mother, Alice Wiste is a paraprofessional at the middle school.

Dawn Gilles is the district secretary in Adams. Her mother, Joann Heimer is a cook at the same school.

Husband and wife, Earl and Jane Orvik have been teaching together for years. Earl teaches social science at the high school level while Jane is the middle school music specialist.

It's all in the Family...

Kelli Stratton and her father, Jim Stratton teach 3rd and 4th grade respectively at Southland Elementary School

Janet Stephenson is the middle school/high school technology teacher. Her daughter, Carrie Sorgatz teaches language arts at the middle school. Janet's sister, Carol Schramm teaches first grade at the elementary school and their cousin, Linda Gilles is one of the kindergarten teachers at Southland. Linda also happens to be Dawn Gilles' sister-in-law.

JUNIORS

Juniors will be attending Riverland Community College's Career Day/College Fair on April 27. Representatives from over 100 colleges will be available for students to visit with. Students will also have the opportunity to attend three career workshops of their choice.

On Monday, May 1 all Juniors will take the Minnesota Comprehensive Assessment (MCA) in Math. It is extremely important that Juniors are in school on test day.

SOPHOMORES

Spring is here and many of you are finding yourselves behind the wheel of your car, on your own, with your driver's license. Please keep in mind that driving is not only a privilege, it is a responsibility! We have many young children of all ages on the streets surrounding our school. Please drive alert, drive responsibly, and always buckle up!

On Monday, April 24 all sophomores will take the Minnesota Comprehensive Assessment (MCA) in Reading. It is extremely important that Sophomores are in school on test day.

FRESHMEN

The first year of your high school career is almost done! Now you should know what your teachers expect and hopefully your grades this second semester are better than those from first semester. Attend school every day. Do you assignments. Be thinking about electives that interest you for next year. Pass all of your classes now so you can take them!

SUMMER SCHOOL

Summer School will be offered again this year in Austin through Austin High School's ALC. Registration information will be available by late April. Contact the Counseling Office at 582-3568 for a registration packet if you are interested.

Youth in Action Day at the Capitol

On March 21, 2006 SADD and drug free groups from Austin, Grand Meadow and LeRoy, traveled to St. Paul for MADDs Youth in Action Day at the Capitol. This event provided an opportunity for us, along with 400 other students from around the state, to visit with legislators about the prevention of underage drinking. Students were divided into groups according to school and traveled throughout the Capitol and the State Office Building visiting with legislators and asking for support on the following two bills:

1. Primary Universal Seat Belt Law

- Car crashes are the leading cause of death for young people.
- A primary seat belt law increases the use of seat belts, especially among young people.
- By passing a primary seat belt law, Minnesota could raise their seat belt use rate to 89%, the highest in the nation.
- Not wearing a seat belt is already illegal; the current law prevents law enforcement from pulling someone over for breaking the law
- A universal law would protect everyone in the car, and show that in Minnesota, we car about EVERYONE's safety.
- Primary Universal seat belt laws save money. Costs for unbelted crash victims are 55% more on average than those who are buckled up.

2. Alcohol Excise Tax

- Underage drinking imposes particularly high average social costs.
- Raising excise tax rates, and hence prices, is a strategy that has strong and well-documented prevention effects on underage drinking.
- The human and economic costs associated with alcohol use in 2001 amounted to an estimated $4.5 billion. This amounts to over $900 per person in Minnesota.
- These costs are 19 times greater than the $234 million in tax revenues collected from alcohol sales.
