We the senior class of 1969 dedicate our yearbook, the Argo, to Mr. and Mrs. Jordan for their time and effort.

Mr. Jordan teaches freshman and sophomore English. His effective directing allowed the junior class again this year to put on a worthwhile production. Mr. Jordan also undertook teaching an art class this year which has proven to be a successful endeavor.

The senior social classes were conducted by Mrs. Jordan, who made the course both interesting and exciting. She also undertook all the girls physical education classes. Mrs. Jordan this year for the first time

acted as the cheerleading advisor, helping to encourage school spirit.

In deep appreciation, we thank Mr. and Mrs. Jordan for enriching our role as students and young adults, as well as preparing us for the responsibilities that we must soon face. Both have helped to make the school a better establishment of learning. They have undertaken endeavors which have given us new insight to the world around us. Their willingness and patience have helped to build the character of many students.

## *Fans Cheer Varsity's March To Victory*

The Adams Tigers football team of 1968 proved to be one of the best on record, finishing the year with a 7-2 record. It was the first time our team had finished with more than six victories since 1957. Second place in the Southland Conference was also one of the high points of the season.

The year was started with eleven returning lettermen. Co-captains for 1968 were Bob Knutson and Rich Wolff. They were aided by four other returning senior lettermen who helped lead the team.

Crashing blocks, bone-crunching tackles, and tremendous catches were some of the occurrences this year. The switch of Bob Knutson from end to quarterback proved to be an inspirational move, as he led the

offense for the entire year. Tom Prescott won the individual scoring race in the area with 81 points. He also proved to be the ball carrier we went to when we needed yardage. Larry Voigt and Tom Mandt were the top ball carriers. Voigt ended the year with over 1000 yds. in total offense. He also set a school record when he rushed for 251 yds. against Elkton.

One of the bright spots was the blocking of the offensive line led by Randy Emanuel, Ron Wolff, Dave Wiste, and Mark Wolterman, all juniors. They, time and time again, opened up holes which enabled our backs to go for good yardage.

The defensive unit limited their opponents to an average of only 5.2 points per game, the second best in the area. Linebackers Rich and Ron Wolff paced the defense. They received substantial help from John Arvold and Bob Schmitz, two great defensive ends. Dave Fasbender also proved to be a good middle guard. Halfback, Bob Knutson, set a school record with ten interceptions. Defense is one of the most important things in football and this year's team exemplified good defense.

Much of the credit this year has to go to our two coaches, Mr. Nordquist and Mr. Espe. They have proven to be two very fine leaders of young men. Through their fine coaching and examples they have given the school a fine spirit of winning that will be carried on in the future.

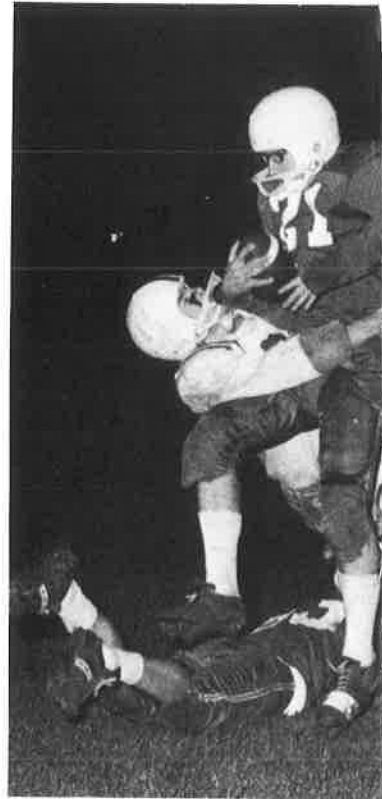

## *Adams Overpowers Old Rivals*

The Adams Tigers closed out their 1968 season on a successful note as they defeated Grand Meadow. The final score was 14-0. The victory over the Larks was the first by the Tigers since 1957. Although the Tigers scored only twice they were in control of the game more than the score indicated. The Tigers scored first in the second quarter on a 22 yard pass from Bob Knutson to Tom Mandt. Larry Voigt made the conversion to make the score 7-0. The second touchdown in the second half came after a pass from Knutson to Bob Schmitz was completed on the 20 yard line. Five plays later, Tom Prescott followed Mark Wolterman's block into the end zone. Voigt again converted the point after the touchdown. At the end of the game, the Tigers were threatening again, but time elapsed before they could move the ball across the goal line. Defensively, the Tigers seemed to let up and Grand Meadow was able to drive to the 4 yard line and had a first down and goal to go. On the first play Ron Wolff stopped it for a yard gain. John Arvold, with the help of Randy Emanuel, stopped the second for a net loss of three yards. Grand Meadow then tried the middle but was stopped after a yard by Dave Wiste, Dave Fasbender, and Rich Wolff. The Larks then were forced to take a time out. When play resumed they tried a

quarterback sweep to the left, but Bob Schmitz, with the help of Tom Mandt, knocked the quarterback out of bounds on the two yard line. Adams was then able to march out of the shadow of its own goal, thanks to some hard running by Larry Voigt and Tom Mandt. Much credit must be given to the whole team for this longawaited victory over Grand Meadow.

Linda Schneider, Linda Wemette, Mary Jo Schneider, and Julie Schroeder were among the spectators cheering the Tigers to victory.

## *Cheerleaders And Managers*

ROW 1: Terry Schaefer, Tom May, Jody Thome, Randy Voight, Mark Arvold, Joe Schaefer, Jim Klassen, Kim Lewison, and Mike Lewison. ROW 2: Coach Lee, James Wood, Mark Landherr, Bradley Wolff, John Jax, Brian Huseby, Wayne Boe, Pete Schmitz, and Joe Struthers.

Although the "C" Team won only one game they gained a lot of knowledge concerning the fundamentals of the game. It's a tough job teaching fundamentals to Junior High football players but Coach Lee did a great job coaching them. Their highlight for the year was when they defeated Rose Creek 26-0.

## Promote Tiger Spirit

LEFT TO RIGHT: James Torgerson, Virg Lonergan, and Bill May.

The managers did a real fine job this year taking care of all the aches and pains of the athletes. Their own incentive was the reason why many good improvements were made in our locker rooms this past year.

Pep, Spirit, and Enthusiasm, were only a few of the many things that were promoted by the cheerleaders at Adams High.

Besides boosting the ego of the Tigers, the Cheerleaders have put on enthusiastic Pep fests, worked hard on new cheers and songs, and made posters.

The "A" Team cheerleaders were glad to have support from the "B" Team who did a great job on their part. Mrs. Jordan also worked hard with the cheerleaders, as it was an aid and help in their performance.

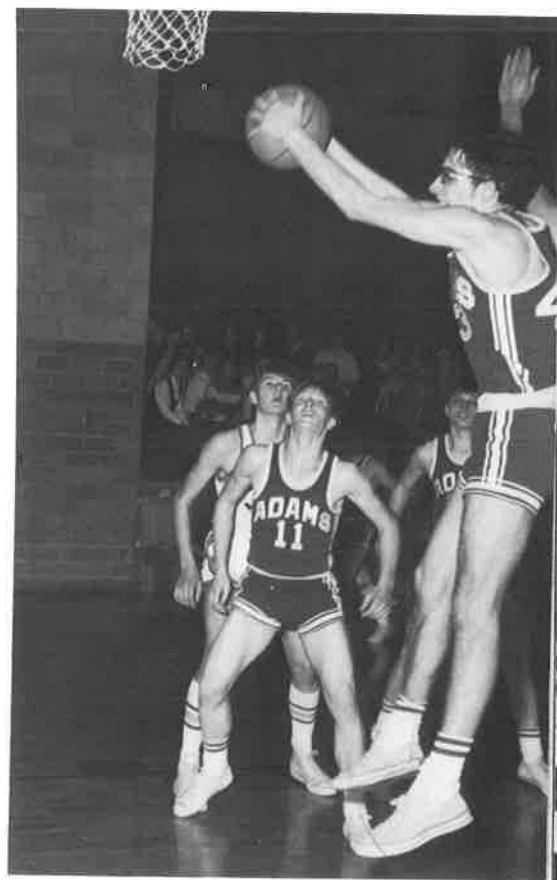

This year the fans of Adams High, along with the help of our great band have cheered our team on to victory. As usual we can be proud of our school spirit and hope it will continue to grow in the future.

Members of the "A" Basketball Team are: FIRST ROW: Virg Lonergan, Coach Espe, and Bill May. SECOND ROW: Larry Voigt, Marty King, Pat Schaefer, Steve Wiste, Bob Knutson, John Arvold, Gary Weness, Bob Schmitz, Rich Wolff, Dave Wiste, and Gary Gilderhus.

## *Season's Efforts Are Rewarding For Tigers*

Run and shoot, run and shoot some more was the theme of the great Tiger basketball team this year. Starting off the year quickly they defeated their first four opponents crushing Leroy by 22 points in their season opener. Rose Creek was the first team to defeat the Tigers this year but not before the Tigers put up a great fight. After this game the Tigers really caught fire. Using their new fastbreak they started to out hustle their opponents all over the court. They began by getting their revenge on Rose Creek defeating them by 14 points. The other great highlight of the year was the defeat of Glenville by 5 points at home.

The Tigers were led again this year by Bob Knutson who carried a better than 20 ppg average. But he was helped out by the better play this year of the other starters. Bob Schmitz and Marty King, two non-lettermen, helped out a great deal during the year. The other four returning lettermen, Larry Voigt, Rich Wolff, John Arvold, and Gary Gilderhus improved a great deal over the entire year. They added the needed spark for a fine year. Brian Espe proved to be a coach with an iron hand, but the improvement really showed. Coach Espe instilled into the team a spirit of winning which we hope can be carried on into following years.

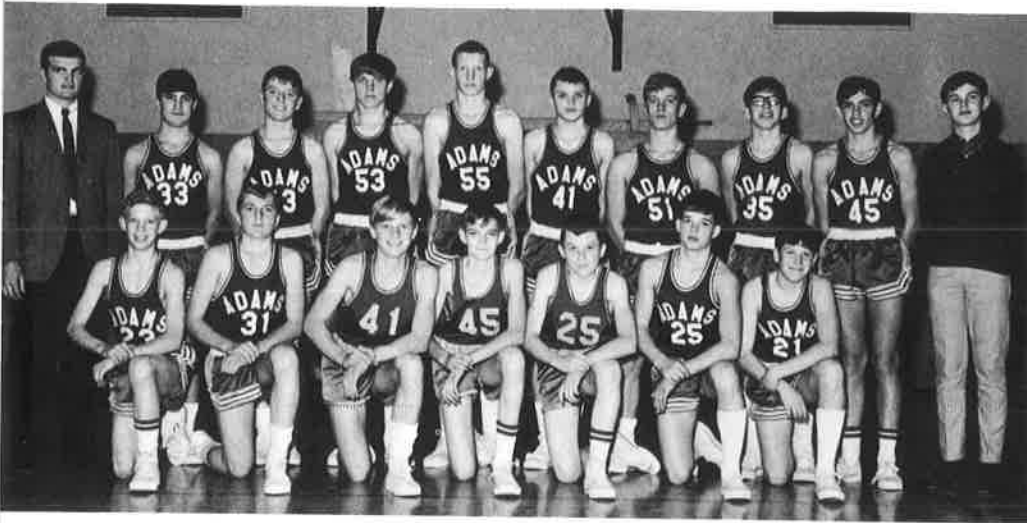

ABOVE: Gary Gilderhus jumps with an Ellendale player in one of the Tiger's ten victories. BELOW: Marty King prepares to grab a badly thrown pass by an unidentified Elkton player.

## Gaining Experience Causes Many Agonizing Moments

The "B" Team may of had a disappointing year as far as the won and lost statistics go, but it was far from disappointing in the valuable experience that was gained. The highlights of the year for them were their victories over Rose Creek by 15 points and their defeat of Ellendale by 3 points.

The "C" Team played good basketball throughout the entire year. Although they won only one game they lost 5 games by three points or less. The lack of height also played a significant role throughout the year. Mr. McAnmany did a fine job coaching considering the handicaps he faced.

"B" Basketball, FIRST ROW: Noel Larson, Ed Frein, Jack Keifer, Brian Weness, Allan Huntley, David Hill, and Henry Osmudson. SECOND ROW: Coach, Mr. Nordquist, Mike Schneider, Kelly Oxley, Roger Schmitz, Andy Struthers, David Huntley, Chuck Landherr, Craig Allen, Tony Goergen, and Jim Torgerson, Manager.

# ACTIVITIES

Pam McGee gets Nancy Wigham ready for her role as Dino's girlfriend, Shirley.

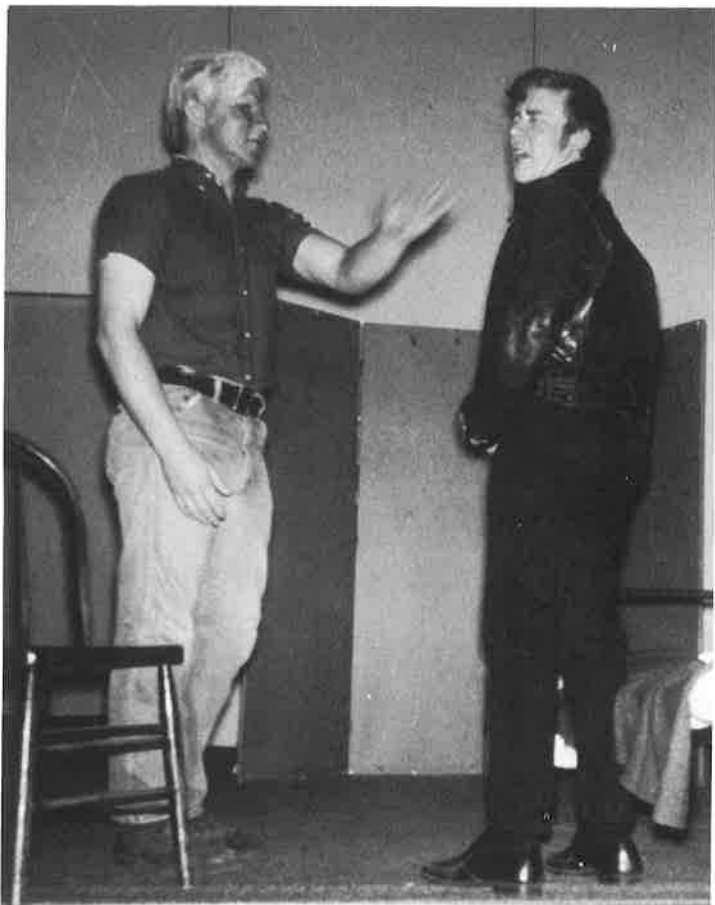

Gary Smith and Nancy Wigham share a kiss and embrace in a tender moment of Dino.

The taunts of Bryan Klaehn and Pat Schaefer bring out Gary Frein's anger.

# *Juniors Display True Talent In The Performance Of Dino.*

Mark Wolterman severely reprimands Gary Frein.

The Junior Class, under the direction of Mr. Jordan, demonstrated its dramatic ability in the presentation of the play *Dino*.

It is the story of a young boy, fresh from reform school, who tries to find his way back to a normal life. While he goes through a series of trying episodes he is helped considerably by a dedicated social worker and some new friends. As we leave him at the end of the play he is beginning to understand his problems and to work them out. Double casting provided a very good opportunity for four actors to show their talent. Gary Smith and Gary Frein played the male lead of *Dino*. Nancy Wigham and Rita Freund shared the counter role of Shirley.

All the members of the Junior Class worked hard to make the play a success.

Tom Mandt and Ron Wolff talk over *Dino*'s problems.

It takes many hours of hard work to put together an Argo, but many rewarding ones. The Staff would like to thank Conrad Smith and Russ Retterath for helping take many of our pictures. ## *F.F.A. Takes Pride In District Honors*

The F.F.A. was lead this year by able leaders. Gary Thome - President, Tom Mandt - Vice President, Gary Weness - Secretary, Denny Mullenbach - Treasurer, Ron Wolff - Reporter, and Larry Voigt - Sentinel. Mr. Leroy Swanson lent a vital helping hand as advisor.

The chapter members showed some of the outstanding livestock at the county and state fairs last fall. Also at that time during the district soils competition a team composed of senior boys placed 4th and will proceed to the state finals. Since their Livestock Team won the state contest last year an all new team placed 6th in the district contest this year and will proceed to state judging. The Meats Team placed 4th in district judging.

The Chapter Banquet was held February 22. At this Ed Johnson and Bob Roy were named honorary Chapter Farmer. Award winners at the banquet were: Gary Thome - Star Swine Farmer, Gary Gilderhus - Star Crops Farmer, Kim Anderson - Star Beef Farmer, Tom Mandt - Star Dairy Farmer, and Denny Mullenbach - Star Sheep Farmer.

Our F.T.A. proved to be very worthwhile this year. The students worked as teachers assistants to gain better knowledge of what teaching is all about. The F.T.A. also helped with Parent-Teacher Conferences. One of the big events was the participation in F.T.A. Project Understanding. Five members who took part were: Linda Huseby, Mary Winkels, Gary Thome, Susan Irvin, and Jane Kloeckner. They went to Janesville High School in Janesville, Minnesota. This high school is on modular scheduling, so this was a new and different experience for these students. Something was gained by everyone, not only F.T.A. 'ers, by this project. Everyone seemed interested. Without the correct guidance and extra time spent on F.T.A., by Mr. McAnnany, our advisor, our F.T.A. would not have been able to advance forward to the successful organization we feel it is.

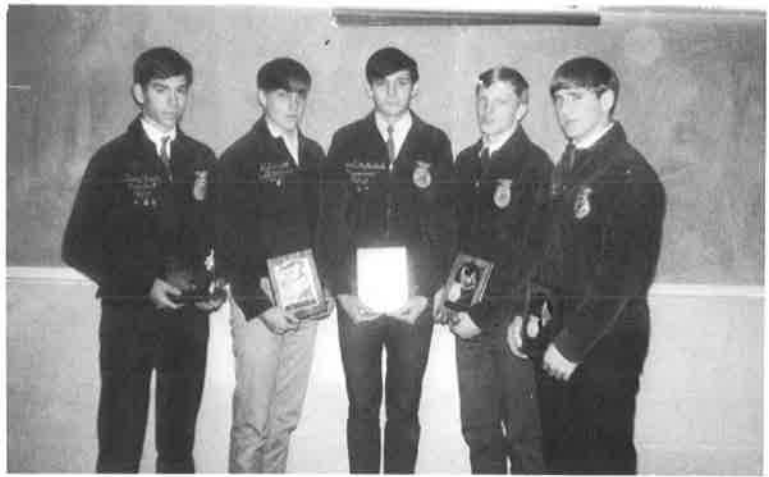

Members of the Paper Staff are: FIRST ROW: Janet Mullenbach, Peggy Thome, Debbie Lunde, Barb Hill, Cathy Crace, Marcia Huseby, Bernadette Dvorak, Mary Winkels, Vicki Ulwelling, and Jane Kloeckner. ## *New Goals And Projects Hold F.H.A. Interest*

The F. H. A. has concentrated much of its effort this year on keeping up with former projects and initiating new ones.

A paper drive was proposed as a means to raise needed money and has proved very successful as a large number of people have helped by saving their magazines for the chapter.

One of the first accomplishments this year was a school dance. The interesting aspect of this was that the admission was determined by the length of your feet - a nickel an inch.

Much of their money was obtained by the sale of different types of cookbooks. This was used for a spring field trip. The members went to the Twin Cities and visited the Fabric Shop, Witts International Foods, and Betty Crocker Kitchens. They were treated to an authentic Chinese meal at the Nankin Cafe. The trip proved to be very interesting and educational and future ones are planned.

Miss Cox, F. H. A. advisor, has initiated a new program of individual members working toward special Homemaker Awards. The girls had to set personal goals and work to achieve them for recognition in the club.

One of the last highlights of the year was the Mother-Daughter Banquet held April 26. Sharon Sorenson, past District F. H. A. President, was the main speaker. There were also other guests present. Awards were presented to the girls who had served the chapter in the most outstanding ways. Kathy Wood was awarded the Betty Crocker Homemaker Award for her top performance on the test she took.

Also the 1969-70 officers were installed that night and received honorary pins.

All the work that the club has accomplished could not have been done without the helping hands of Miss Cox and the two chapter mothers - Mrs. John Hill and Mrs. Bob Schneider.

FOURTH ROW: Debbie Loecher, Nancy May, Janine Nelson, Ann Schaefer, Bob Schmitz, Lahoma Osmundson, Bonnie Miller, and Mr. Nerison, Director.

The band got off to an early start this year by taking a trip to the State Fair on August 24th. There they played two performances. When school started, Mr. Nerison added morning sectionals to the regular rehearsal schedule. The band was divided into the three main sections, those being; brass, drums, and woodwinds. This proved to be very worthwhile because these sections could have extra time for special music parts and it would not be taking up time during regular rehearsal time.

Our band put on some very good half-time shows at all of our home football games. This was made possible by the keen imagination of Our Director, Mr. Nerison.

The Winter Band Concert was held in February, after it had been twice postponed because of the snow and bad weather. The highlights of this concert were; the trumpet quartet, the clarinet trio, and a narrative song. The well put on concert provided for all interests.

Adding lively spirit to our basketball games, the band played for all home basketball games.

The band participated in the large and small Instrumental Music Contest in the spring. Springtime also brought another concert for the band. Again they presented their Spring Band Concert under the stimulating direction of Mr. Nerison.

The band will be practicing for Commencement and the Memorial Day Parade.

# Youngsters Enjoy First Experiences Of School

We have with us this year, three new faculty members in the grade school. One is the sixth grade teacher, Mr. Hanson. His students like and enjoy him very much. Mr. Hanson comes from Cook Minnesota. He attended Bemidji State College, Bemidji, Minnesota. He is married and has two children, a boy, four years old, and a girl, two years old.

Our Remedial Reading Department was started to help those who need more help in reading than others do. Mrs. Nelson, new to the department, and Mrs. Roseke both have fulfilled their duties to make the department what it is.

In high school the students have many extra-curricular activities in which they can take part. There are some activities for the grade school students also. For these grade schoolers, it is a party around holiday times or on special events, such as their Halloween party. To make these parties a part of their classroom activities, they make different pictures and objects to go along with the particular party they are having.

These and other activities have made the 1968-69 school year a memorable year for the grade school.

## *Children Display Christmas Spirit*

ABOVE: Michael Kramer, as Joseph; Margaret Deiser, as Mary; and Chuck Jax, as the Innkeeper.  
LEFT: Mark Weness, as Santa Claus.

One of the highlights of the year for an Elementary student is putting on their Christmas Program. With Christmas spirit in the air and it being a most exciting time of year for them, they enthusiastically present their Christmas Program to all interested viewers. They sing many Christmas songs and listening to them and seeing them, you know it is Christmas. Their faces all light up when they sing. Thanks to the fine Elementary Staff and to Mrs. Libby, these students were able to present such a fine program.

# FACULTY & ADMINISTRATION

Our History teachers, Mrs. Jordan, Mr. Nordquist, and Mr. Bennett, have done a fine job of covering the 1968 election, besides all the other major events that happen throughout the year.

Students of Vocational classes have been more than adequately prepared by Miss Cox, Mr. Vangsness, Mr. Morrison, and Mr. Swanson.

Specialists in the math and science fields, Mr. Cerar, Mr. Lee, and Mr. Hinz, drew upon their first years experience to provide improved techniques for learning.

This year the Adams High faculty has strived to make the students better equipped to face the problems of today. They have impressed upon us knowledge that will not only be valuable to us now, but in the future.

Besides teaching us formulas, events, history, English, etc., they have reached out to us individually not to just broaden our minds, but to give us the incentive to learn.

Education and knowledge are the gateway to our future careers. The faculty of Adams High has certainly done its best to lead us to this gateway.

## *Teachers Strive To Motivate Students*

In the Business Dept. Miss Olson and Mr. Espe have worked with the students to increase their knowledge about financial information and practical skills.

Mr. McAnnany and Mr. Jordan of the English Dept. have employed the use of audio and visual aids to make learning more effective.

## *Personnel Strive To Meet School Demands*

Indispensable to our school system are the secretaries, custodians, and cooks. Mrs. Boyum and Mrs. Espe proved to be the needed links in an efficient school system. Their energy in their secretarial duties and their ready smiles make everyone feel better.

The job of cooking for all the students is performed by Mrs. Boe, Mrs. Hamilton, Mrs. Kent, and Mrs. Schechinger. Their good and balanced meals surpass many of the best restaurants.

Our custodians, Mr. Himebaugh and Mr. Peters, keep the school running in order. They spend more time in school than any of the students.

School Secretaries are: LEFT, MRS. ORPHA BOYUM, and RIGHT, MRS. CATHY ESPE.

The Cooks for the Adams School students are: MRS. LORAIN HAMILTON, MRS. LORA KENT, and MRS. MAE SCHECHINGER.

Adams High School Custodians are: MR. RICHARD PETERS and MR. HENRY HIMEBAUGH.
